

CONSENT TO THE PROCESSING OF PERSONAL DATA

Revision dated August 27, 2026

I, an individual registering in the "KFC" mobile application, in accordance with Article 18 of the Law of the Republic of Uzbekistan "On Personal Data", freely, of my own will and in my own interest, give my consent to International Food Chain LLC (address: 21 Taras Shevchenko St., Mirabad district, Tashkent, Republic of Uzbekistan) to process my personal data on the terms set out below.

1. LIST OF PERSONAL DATA

Mobile phone number; name; date of birth (if provided); email address (if provided); delivery address (if provided); history of reviews, orders, and their composition; data on the accrual and redemption of points; technical data of the device.

2. PURPOSES OF PROCESSING

Registering and maintaining an account; participating in the "KFC Club" loyalty program, including the accrual and redemption of points; accepting and fulfilling orders; informing about order status and bonus account status; reviewing inquiries; generating anonymized analytics.

3. LIST OF ACTIONS WITH DATA

Collection, recording, systematization, accumulation, storage, clarification (updating, modification), retrieval, use, disclosure (provision, access), anonymization, blocking, deletion, destruction — with or without the use of automation tools.

4. VALIDITY PERIOD AND WITHDRAWAL PROCEDURE

This consent is valid from the moment it is given until the expiry of 1 (one) year from the date my participation in the loyalty program ends.

This consent may be withdrawn by me at any time by sending a request to the email address marketing@ifch.uz, in writing to the Operator's address, or by deleting my account in the mobile application.

5. CONFIRMATION

I confirm that I have read the Privacy Policy, and that the purposes of processing, the list of data processed, my rights, and the consequences of withdrawing consent have been explained to me. I confirm that I have reached 18 years of age.

The record of acceptance is logged in the Operator's information system, indicating the date, time, device identifier, and document version.
